July 27, 2015

North Mecklenburg Animal Rescue in Charlotte, North Carolina invites you to become a sponsor to benefit local, homeless dogs at for our third annual NMAR in NODA Music Festival on Saturday November 7, 2015.

Previous years' events were a huge success -- tickets sold out 10 days in advance, 400 people attended, and NMAR raised over \$15,000. Sponsors got free admission, signature beer mugs from Birdsong, and most importantly, their names and logos on our banners and all promotional materials. Sponsorship is tax-deductible to the extent permitted by law.

We are a private, donation funded, no-kill rescue. We have been saving dogs for over 15 years. Our mission is to help end pet overpopulation, abandonment and neglect. We provide care and find homes for dogs of any breed, age or medical need. We have found homes for over 4000 dogs in the last fifteen years! With the proceeds from last year's event, we made significant progress on our NODA facility and hope to complete work on it by late fall.

NMAR in NODA is an evening music festival with performances from local bands. It takes place at the very popular Birdsong Brewery in NODA. Local artists and vendors donate dozens of items for raffles and a silent auction.

With your Company's commitment, we can raise even more money this year and save more animals.

Enclosed please find more information on this exciting event and its sponsorship levels.
Visit NMAR's website at www.northmeckanimalrescue.org and the event site www.nmarinnoda.com.

Thank you
